What is RLG?

RED

The colour red is associated with gold and the philosopher's stone; Rubedo, a Latin word that means "redness", indicated success in alchemy and the completion of the great work. This is what the team at RLG Ltd aim to achieve with our partners.

LION

The Lion is the symbol of strength, leadership and protection. The ability to lead with strength and confidence is essential while the added ability to safeguard the interests of our clients. Working within the AEC industry, these qualities are essential for success and necessary in any partnership.
